## **REFUELLING GUIDELINES**

All refuelling must be carried out in the Pit Garage or the paddock area and must conform to the following requirements:

- always with the car's engine switched off; and
- always with the power switched off; and
- with a fire attendant present; and
- ensure there are no hot works in the immediate vicinity; and
- personnel handling fuel discharge themselves of static electricity prior to participating in any refuelling/fuel transfer procedures; and
- mobile phones and electronic equipment must be switched off in the immediate vicinity of the draining or refuelling procedure; and
- member's of the public must be vacated from the pitbay (and adjoining pitbays) during refuelling.
